We suggest watching the main session in Japanese on one device on the main zoom channel (on mute) and on another device listening to the English at the zoom URL above. You will need two devices. Ellie will not be interpreting the parts of the program that are bilingual (like the pastors from Ukraine, India, etc). You will need to un-mute the main Japanese zoom room and listen in English during those parts, then switch back to Ellie afterwards.

Please share with your friends about this upcoming event. We look forward to seeing you. For further information, see: pcjmission.jp

Main Session

Sermon: **Masashi Kondo** (Oyumino Christ Church, Oyumino Chapel)

[Ukraine]

Live report from missionary work in refugee camps in Ukraine

[India, Bangladesh]

Live report about missionary work with multi-ethnic, multi-creedal, unreached areas

[South Asia, Bible Translation, etc.]

Video report and testimony from PCJ missionaries

Breakout Sessions and Prayer Time

After the Festa, we will have multiple breakout sessions and time to pray for missions the PCJ or other presbyterian bodies are involved in.

World Evangelism Festa will be held on zoom this year. Please prepare a smartphone or PC, and join the zoom session from the correct link. The links for the main session, and the links for the breakout sessions will be sent out through the PCJ General Session mailing list. Please share the links with the members at your local church. We also ask that each local church provide support for members who do not have access to a wi-fi environment, or are not comfortable using zoom.
